Project Name	NEWS TRACKER APPLICATION
Maximum Marks	2 Marks

#### Customer Problem Statement Template:

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	I am an Engineering student who wants to stay updated with all current technologies and affairs happening every day. Which is useful in my GD and Skill development too.	I looking for a organized feed for my domain. I want to get my field news in a digital mode, since physical newspaper are limited.	I am unable to find any mode of feeds or application or website providing my stream of news.	It is becoming not possible to scope up with the current happenings on my regular basis.	I feel like not updated with the happenings going around me in the limited amount of time that I can spend
PS-2	I am a UPSC aspirants, I wanted to stay updated on all State, National and International news. Including sports, politics etc	I am trying to be updated in all level and categories of current affairs and happening around me.	There are too much of news all around flooding the feeds.	They are not well organized at Geographical level, categories wise. And news is not prioritized.	I feel like I am unable to cover all sets of news that I need to know for my UPSC
